### CORE COMPETENCIES

#### Enhancing "People Skills"

Transform high IQ / low EQ people into well-rounded leaders who excel in driving organizational alignment and inspiring peak performance across teams.

#### Improving Culture

Cultivate a positive organizational culture that encourages collaboration, innovation and sustained high performance.

#### Accelerating First 100 days

Streamline the integration of new leaders, minimizing onboarding time and accelerating their ability to contribute effectively from day one.

#### Increasing ELT Effectiveness:

Enable senior leaders to communicate more effectively and drive the organization's vision and goals with greater coherence and impact.
